# Intentionally curated portfolios of Farmhouse style windows and doors for any budget

Today, you're just as likely to find the Farmhouse style expressed in an urban and suburban home as on the farm. But no matter where it's located, certain signature features beautifully distinguish this popular home design from others, including:

- CLEAN LINES
- FRAMELESS/DIRECT GLAZED GLASS
- SIMULATED DIVIDED LITES (SDLs)
- GRID OPTIONS
- LARGER GLASS PANELS FOR FULL LIGHT
- NEUTRAL COLOR SCHEME
- INDOOR/OUTDOOR LIVING
- WOOD OR WOOD LOOK
- WIDE RAILS AND STILES
- VINTAGE, RUSTIC DESIGN
- PLANK DETAILING
- FLAT PANEL STYLE

This curated style collection makes it faster and easier to find products that complete the Farmhouse look within your budget requirements. For easy navigation, product portfolios in this collection are organized by approximate price. Let this be a helpful tool for guiding homeowners to products that achieve the look they want and match the quality and reliability you need for a job well done.

## PRICE TIER
